

MOCK COURTROOM**BOOK BY BOOK**

The Nova Middle School PTSA is excited about the plans to build a state of the art mock courtroom on our campus! This will make Nova Middle School only the third public school in Broward County with a full-sized mock courtroom. This mock courtroom will include a full sized, wood-paneled courtroom, replete with a jury box, witness stand, and judge's bench. This courtroom will be used by our Nova Middle School Legal Studies Department as they launch their legal careers. The mock courtroom will also be available for various debates and technologically equipped for local, national, even international broadcasting of debates and mock trial presentations.

Permanent recognition of your personal tax deductible donation will be made in the form of personalized law books painted on the walls of our courtroom. Our talented art teacher will create a mural of law books on bookshelves to replicate the look of a law library. The books will be painted in the order that the forms and payment are received. Each \$100 donation will be recognized by a name of the donor's choosing, being painted on the spine of the book. Example:

In memory of _____ In honor of _____ The _____ Family

For an additional \$50 donation, you also have the option to add graphics (e.g. Titan logo, college logo, scales of justice). Please submit a non-returnable copy of the exact logo to be painted.

Corporate sponsorship opportunities are also available. Please visit <http://novamiddle.my-PTSA.org> for information on levels of corporate sponsorship.

Please send your tax deductible donation to Nova Middle School PTSA at 3602 College Avenue, Davie, FL 33314. Payment can be made by credit card on our Estore at <http://novamiddle.my-ptsa.org>.

Please email any questions you may have about the mock courtroom to novamiddleschool@my-PTSA.org.

Thank you for your continued support!
